

ALESSANDRO RIVETTO BAROLO VIGNA RIONDA 2017

Medium-deep orange-garnet hue with a light brown edge. A complex, well-developed Barolo Vigna Rionda showing balsamic complexity upon its rich, glossy fruit. Tarry and spicy, with brown walnuts, eucalyptus, black fruit, caramel, mushrooms and earthy dried citrus. Tannins have softened already, but the austere, dusty frame remains, followed by an extensive, savory finish. A bit more oxidative in style, but already complete and delicious now; it will hold or even develop more in the next five to six years. Drink or hold.
